

About YPN

YPN was founded in 2007. Today, more than 20,000 REALTORS® call themselves “YPN.” In addition to this national network, nearly 400 state and local REALTOR® associations now have their own YPN. Our Sunflower Association of REALTORS® YPN stands for “Your Professional Network.”

The Sunflower Association of REALTORS® works along side YPN to provide real estate professionals the education and resources to be successful in their careers and gain leadership experience.

Sunflower Association's YPN committee serves SAR members throughout their careers by offering insights into technology, prospecting, marketing, career development, and much more.
