

YEAR-ROUND

PARTNERSHIPS

2024 Affiliate Sponsorship Program

The Affiliate Sponsorship Program was designed to provide sponsors year-long exposure and interaction with other members of the Sunflower Association of REALTORS®, Inc. The program covers the entire calendar year of SAR meetings and events, making it easy and effective for your organization to participate and be recognized. Once you've selected the sponsorship package that fulfills your needs, you will not be solicited by SAR again that year with the exception of any community service projects the association participates in.

All sponsors receive the following:

- ◆ Recognition on event banners.
- ◆ Recognition in all event print programs.
- ◆ Recognition on the public and private sides of the association website.

In addition, sponsorship at certain levels provides even more benefits. Simply choose the level of sponsorship that best fits your organization and start reaping the rewards.

For additional special sponsorship opportunities, contact the association office.
